

Carnival

To whom it may concern,

Kari & Jerry Shurtleff have been contracted to work aboard the *Carnival Legend* since November 25, 2007. Their duty on board is to play six nights a week in our five star dining restaurant; the *Golden Fleece Supper Club*. In the time that they have been here they have proven without a doubt to be true masters of their craft. Keri & Jerry's music is absolutely wonderful to listen to, and provides the perfect ambiance to the venue. They provide an extremely wide variety of genres of popular & ballroom music, they cover all the dynamic level requirements and tastes of our guests, and they read their audience and respond effortlessly. I am constantly receiving very positive feedback from our guests & staff members from the restaurant about them and I am proud to have them as a part of my music department. They are wonderful to work for and are a truly valuable asset to the onboard entertainment department. I would highly recommend them for any booking. It has been a pleasure working with them, I wish them all the very best and look forward to working with them again in the future!
