To Whom it May Concern:

Electric Events Corporation has had the pleasure of working with Kari and Jerry since July of 1994.

Their talent and professionalism has never missed. They have been asked back on every engagement we ever placed them on.

They work with management extremely well. Their character and business ethics are impeccable. Their musical and vocal talent, outstanding.

I know I can book them with a very high rate of confidence, knowing that any situation looking for a very talented, well rounded and professional duo, will surely be pleased.

If you have any questions, please feel free to contact me via any of the above means.

Sincerely,

Michael A Tolerico  
President
